

Dimensions of Diversity in Life

List 10 people who you have a lot to do with during a typical month. These people can belong to your private or working lives.

Then write the letter “S” in the column of a characteristic that you both share or a “D” for one where you differ.

NAME	Gender	Age	Origin	First languages	Physical attributes	Skills	Education level	Profession	Religion	Freetime activities	Sexual orientation

What do you notice?
Do find more similarities or more differences?
