

**Assignment 5 Marking developed/adapted OER with CC license**

The **aim** of the assignment: having implemented this assignment, you will be able to mark developed/adapted OER with CC licence.

You can use [license chooser tool](#) to get suggested text and/or html code. Marking your OER, please, take into account:

- Author
- Specific CC licence with link to it
- Machine readability (*if applicable*)

**The result expected.**

Developed/adapted OER is marked with CC licence. Author of OER and specific CC licence with link to the description is provided.
